

Ray is singer, songwriter, musician, rapper and producer from Charleston, South Carolina. In early 2020, a video of him serenading his beautiful wife, Roslyn Singleton, before her second surgery to remove a brain tumor went viral and stole the hearts of millions, including Ellen Degeneres. Ray has been singing and performing all of his life. In July 2021, he wowed all four judges of America's Got Talent and received four "yes" votes. He and his band do live shows every weekend. He serves as the minister of music at his church and has even sung the national anthem for the Carolina Panthers. Ray hopes that his music continues to promote positivity, fun and love.
